

**The Nation's Leading
Cost Reduction Coaching Experts**

Make more by spending less...

We can help you squeeze more profit out of your revenue by cutting your expenses up to 50% with NO RISK and NO COST to your company

Here's how:

- **Industry Knowledge and Proven Methodology**

For over 20 years our unique 7 steps approach and industry knowledge has helped us find significant savings in the projects we participate.

- **Solid Supplier Network**

We have identified and developed key vendors in over 40 different expense categories so we can maximize your savings with minimum involvement from your staff. We negotiate on your behalf.

- **Full support of ERC Organization**

Your ERC coach is part of a nationwide team of ERC professionals. Though you may be dealing directly with only one ERC executive, our network of coaches will be consulted on a regular basis to support your project the best possible way.

- **Complete Objectivity**

Our only goal is to maximize your savings. No strings with any vendor. In fact, 65% of your savings will probably come from your existing suppliers.

- **Pay For Performance**

Our fees are 100% covered by the savings we find. We only get paid after cost reductions are fully realized. This motivates us to maximize your savings and implement recommendations fast.

How our clients see us...

"ERC has proven to be very knowledgeable and aggressive in reducing costs."

"I could not find the time to research which telephone companies were right for me. When you took charge of helping me make those decisions, I was enormously relieved. Thank you for your guidance and the good savings we are now enjoying."

"We have been very satisfied with our relationship with ERC. They have treated all our employees with professionalism and courtesy in addition to delivering the savings they promised us."

"I think the best part of your service is that I can't lose! You do all the investigating and behind the scenes work, and I get valuable information and spend less money."

Book your complimentary consultation today and let us show you how to keep more money in your business.

You don't pay until we've found and implemented your savings. It's that simple!
